

PUEB HORIZONS. A DOCTORAL CONFERENCE FOR INNOVATIVE RESEARCH CALL FOR PAPERS

The event aims to promote excellence in doctoral research and supports initiatives such as the European Doctoral Day.

It offers a high-quality, inclusive academic platform for PhD candidates to present their work, receive constructive feedback, participate in research-oriented workshops, and build international academic networks.

THE CONFERENCE WILL FEATURE:

- Regular (oral) presentations in business, economics, finance, management and quality studies
- Poster session for early-stage or work-in-progress research
- Workshops and seminars open to PhD candidates from all scientific disciplines
- 3-Minute Thesis Competition (3MTC)
- Keynote lectures by:
 - **Professor Robert Faff** (Corvinus University of Budapest; Emeritus Professor, University of Queensland)
 - **Professor Theocharis N. Grigoriadis** (Freie Universität Berlin)

KEY DETAILS:

- **Dates:** 1–2 June 2026
- **Price:** free of charge
- **Venue:** Poznań University of Economics and Business, Poland
- **Target audience:** PhD students

SUBMISSION WINDOW: 10 February – 10 April 2026

Further information, including updates and practical details, is available on the conference website: <https://ue.poznan.pl/en/university/pueb-horizons-a-doctoral-conference-for-innovative-research/>
