Announcement on Scholarship support for doctoral students at Poznan University of Technology

Poznan University of Technology invites PhD students and postgraduates of the Doctoral School to apply for scholarship support to subsidise research trips within the NAWA PROM project (BPI/PRO/2024/1/00011/U/00001). The programme aims to support activities related to:

- acquiring material for a doctoral thesis or scientific article,
- carrying out measurements using unique research apparatus or artistic instruments,
- carrying out archive or library searches,
- preparation of international grant applications.

For whom?

Persons who meet the criteria specified in the 'Regulations of recruitment and participation in the project implemented by Poznan University of Technology within the PROM programme - Short-term academic exchange, co-financed from FERS funds' may apply for funding.

How to apply?

Applications are made using the application form, which must be completed and sent to: anna.jaskolska@put.poznan.pl by **20 January 2025, 12:00 p.m.** Please complete all required fields in the form.

Please read the attached recruitment regulations.

Downloadable materials:

1. project recruitment and participation regulations.
2. appendix no. 1: application form.

Detailed information is available on the project website: prom.put.poznan.pl or by e-mail: due@put.poznan.pl

We invite you to participate in the project and wish you good luck!
