

**Resolution No. 4/2020-2024
of the Scientific Board of the Doctoral School of Poznan University of Technology
dated April 25, 2023
on reducing the number of professional practical training hours at the Doctoral School**

Acting pursuant to § 17 sec. 2 point 4 and § 31 sec. 1 point 3 and 6 Regulations of the Doctoral School and Doctoral Training Program at the Doctoral School of Poznan University of Technology, adopted by the Poznan University of Technology Senate, the following is recommended:

Doctoral student who is:

- a principal investigator of a project obtained as a result of a competition procedure at the national or international level,
- a parent of a child up to four years old or a child with a confirmed disability,

may apply for a reduction in the number of professional practical training hours (in the form of teaching classes or participation in their teaching) to the University Unit where the doctoral student conducts research related to the realization of their doctoral dissertation.

The resolution comes into force on the day it is passed.

The Chair of the
Scientific Board of the Doctoral School
of Poznan University of Technology

prof. dr hab. Alina Dudkowiak
