

Description of a proposed individual research plan

.....

(professional title, name and surname of a candidate)

.....

.....

.....

(research topic connected with PhD thesis)

.....

(degree, title, name and surname of potential PhD thesis supervisor)

.....

.....

(unit at PUT where the research topic will be carried out)

1. Introduction

.....
.....

2. Objectives and hypothesis

.....
.....

3. Research area and type of suggested PhD thesis:

.....
.....

4. Scientific problem or project, constructional, technological, artistic problem that is to be solved during the PhD thesis being carried out and description of the originality of a given research topic:

.....
.....

5. Preliminary timetable for PhD thesis – plan of scientific tasks:

.....
.....

6. Short bibliography that proves a candidate gained preliminary knowledge on the given research topic:

.....
.....

.....

(candidate's legible signature)

.....

(potential PhD thesis supervisor's legible signature)
