**Justification / Uzasadnienie**

In the committee's opinion, the dissertation work is proceeding in an exemplary manner. The doctoral student has already published three papers in journals and two papers in the proceedings of international scientific conferences. Another two papers are currently under review, including one submitted to the prestigious IEEE Trans. on Intelligent Transportation Systems. The work is carried out according to the established plan and schedule. The research thesis has been formulated and the works conducted are aimed at its verification. The presentation of the achievements of the doctoral student went very well. The doctoral student has established knowledge. He has already done his obligatory internship in an industrial unit. He has also applied for a grant in the NCN Prelude competition. The committee unanimously agreed that Mr. Hoffmann's doctoral project is carried out at a very high level and made no critical remarks.
