In the process of recruitment to the Doctoral School, a payment of a one-off, non-returnable recruitment fee is required. The fee in amount of PLN 200 or EUR 50 must be paid together with the candidate's submission of documents.

- start date of recruitment on **June 16, 2025**.
- deadline for submission of documents by **June 29, 2025**.

1. Candidates are required to get acquainted with the binding [legal acts](#).

2. Recruitment is based on a competition with a view of exploring a research topic proposed for a given scientific discipline.

3. [Recruitment schedule](#).

4. Candidates to the Doctoral School submit required documents by means of [admission system](#) (the admission system will be launched in accordance with the PUT Doctoral School recruitment schedule) and the **documents must be filled out completely and correctly, signed, and submitted on time:**

- a) a document regarding the qualification (i.e. Master's degree (MA or MSc) or an equivalent degree):
  - 1) diploma of graduation with the supplement (or with the grade report from course of education (not required if this information is included in the supplement) together with an official grading scale (if the grade report does not contain it) confirmed by the University from which a candidate graduated), or
  - 2) in case the diploma has not yet been issued, a certificate of completion of studies in the Republic of Poland, with the grade report from the course of education together with the official grading scale (if the grade report does not contain it) confirmed by the University from which a candidate graduated, or
  - 3) [a statement on the planned date of defending the Master's thesis](#) in the Republic of Poland (only in the absence of both a diploma and certificate of completion of studies in the Republic of Poland) with the grade report from the course of education together with the official grading scale (if the grade report does not contain it) confirmed by the University from which a candidate graduated,
- b) *Curriculum vitae* containing candidate's personal data and their course of previous education and/or employment,

- c) a covering letter containing a short description of candidate's interests and reasons for undertaking education at the Doctoral School, a list of achievements (including publications, patents, utility models, trademarks, industrial designs, scientific scholarships), awards and distinctions concerning scientific research or student activity or other scientific achievements; information about participation in scientific conferences, workshops, research and commercial projects as well as trainings and internships, international mobility and work experience, as well as scientific clubs membership (together with relevant documentation confirming all or any of the above),
- d) a declaration of choosing a research topic from the available list together with a declaration from a potential PhD thesis supervisor ([Annex 1](#)),
- e) description of a proposed individual research plan demonstrating feasibility of the implementation of chosen research topic ([Annex 2](#)),
- f) a statement on concluding a conditional employment contract with the Candidate
- g) a certificate confirming the knowledge of the English language at a level of at least B2 ([list of accepted certificates - Annex 3](#)) or a declaration of the knowledge of the English language at a level of at least B2 ([Annex 4](#)),
- h) photograph of a candidate (in a digital version (JPG, TIFF, BMP or PNG format), which should be uploaded to the recruitment system, meeting the requirements specified for issuing identity cards/passports).

***If all required documents are not presented by the date specified in the schedule, the recruitment procedure for a given candidate will not be pursued further.***

*Documents submitted by a candidate must be prepared in Polish or English or translated into Polish or English by a sworn or equivalent translator in the country of issue.*

*A candidate who obtained a diploma outside the Republic of Poland in order to undertake further education in Poland may be requested to additionally submit an opinion on the recognition of the diploma issued by the National Agency for Academic Exchange. Failure to deliver the above-mentioned opinion to the Doctoral School Office by the due date from the recruitment schedule results in the candidate being refused admission to the Doctoral School, regardless of the results of the procedure competition.*

*The diploma of graduation from university obtained abroad needs to be confirmed with an apostille if the country issuing the document is covered by the Convention Abolishing the Requirement of Legalization of Foreign Public Documents, drawn up in The Hague on October 5, 1961 (Journal of Laws of 2005, No. 112, item 938) or legalized in any other case. Legalization is carried out by a Polish consular post in the country issuing the diploma.*

**The candidate is obligated to read the information provided in the recruitment system or/and by email on an ongoing basis. The candidate shall bear the consequences of not complying with this obligation.**

5. The competition procedure consists of two stages: evaluation of the documents submitted by the candidate listed in points 4a-4e (I stage) and interview (II stage).

6. Interviews with candidates, as part of the second stage of the competition procedure, will take place on the date specified in PUT Doctoral School recruitment schedule. The exact date, place and time of the interview will be provided in the recruitment system.

7. Candidates with disabilities may apply to adapt the form, dates, and duration of the interview to their legitimate needs. While submitting required documents, the candidate submits an appropriate request to the Director of the Doctoral School, who makes decisions in the above-mentioned case within 14 days.

8. In accordance with PUT Doctoral School recruitment schedule, after the publication of the list of persons obliged to submit the original documents, the candidate submits one set of the required documents in their original forms (including generated from the recruitment system and signed an application for admission to the Doctoral School) and confirmation of having qualifications of Master's degree (MA or MSc) or an equivalent degree (points 4a (1 or 2) and 4b-4g) at the Doctoral School office (located in Poznan, ul. Piotrowo 3, room 604). Copies of the diploma and transcripts will be made, free of charge, and true copies certified at the Doctoral School office.

Additionally, the candidate is required to submit:

- an ID card or a passport (for review, in order to verify personal data),
- (if applicable) original of a disability certificate (for review, to make a copy and certify its compliance with the original),

- [statement to the Polish National Social Insurance Institution \(ZUS\).](#)
- [statement for scholarship purposes.](#)
- [discipline statement.](#)

In case of foreigners, when submitting original documents, they are required to present:

- a valid, current document entitling them to stay in the territory of the Republic of Poland,
- a valid health insurance policy effective in the territory of the Republic of Poland.

Candidates are not obliged to submit the required documents personally. However, the documents should be delivered in their original forms (in order to make the copies and certify them) or should be notarized. **Incomplete documentation, including missing original signatures, will not be accepted.**

It is possible to mail the documents but they have to be delivered prior to the deadline indicated in the Recruitment Schedule. In such a case, candidate has to make sure that the file contains all necessary documents together with a notarized copy of diploma and transcript.
